

Brain teasers.

Questions:

1. It's Prtty fruny how we can raed tihs einrte snetnece wtih all tehse ltters all out of palce, and we can cnotniue to keep raednig and sitll mekas snece of waht we are raeding. No mttar how mnay tmies you raed tihs oevr and oevr you can sitll mkae snece of it. How is taht pssioible?

2. What is impossible to do with your eyes open?

3. What is the only land animal that cannot jump?

4. Ready for Tales

My life is often a volume of grief,
your help is needed to turn a new leaf.
Stiff is my spine and my body is pale,
but I'm always ready to tell a tale.

What am I?

5. What was the first city to reach a population of one million?

- a. Rome
- b. London
- c. Beijing
- d. New York

6. Do you know your bodies of water?

- a. What is the largest lake in the world?
- b. What is the largest ocean?
- c. What is the longest river?
- d. What state has the most lakes?
- e. Where can you find the Sea of tranquility?
- f. What is the largest waterfall?

7. What word starts with E and ends with E and only has one letter in i?

Answers:

1. As long as the first and last letter of the word is in its correct position, you can position the middle letters in any order and still make sense of it. Our eyes tend to just glance at the first and last letters of a word.

2. Sneeze (or how about...sleep?)

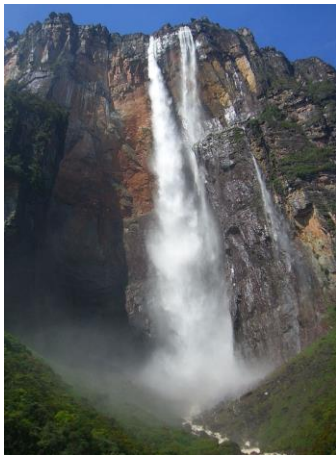

3. The Elephant

4. A book

5. a. Rome - Ancient Rome became the first city to reach a population of one million in 5 B.C. It would be more than eighteen centuries before the second such city, London, would reach that milestone in 1800.

6. Know your bodies of water?

- a. What is the largest lake in the world? **Lake Superior**
- b. What is the largest ocean? **The Pacific**
- c. What is the longest river? **The Amazon River in Brazil**
- d. What state has the most lakes? **Alaska – It has 3,000,000. Minnesota only has 10,000!**
- e. Where can you find the Sea of tranquility? **The Moon**
- f. What is the largest waterfall? **Angel Falls in Venezuela at 979 meters (3,212 feet)**

7. Envelope
